Item 5. Other Events.

The Corporation has reached a settlement in the two lawsuits relating to its purchasing clothing products from independent garment manufacturers in Saipan (Commonwealth of Northern Mariana Islands). The settlement will be presented to Federal and State courts for preliminary approval and class notice.

The decision to settle these actions is not an admission of any wrongdoing, but reflects the significant legal fees, other expenses and management time that would have to be devoted to continue to vigorously defend these actions in the courts. Only a very small percentage of clothing sold by the Corporation was manufactured by the defendant garment manufacturers in Saipan, and the settlement will not have a material impact on the financial condition of the Corporation.

Pursuant to the requirements of the Securities Exchange Act of 1934,
the Registrant has duly caused this report to be signed on its behalf by the
undersigned hereunto duly authorized.
